INTRODUCTION

When you got saved the devil lost you but he did not give up on you. God is watching over you but satan is also checking on you to see if you were serious in leaving him for God; that is why you are struggling with something you would not want me to openly address. Satan is weak but very tricky, so you need the true wisdom of God's word to step on his subtlety.

In this book am not aiming to challenge theology or criticize any preaching but am just saying; Christianity is not a dead system where you enter, get stuck and continue to be ploughed by the same evil forces which floored you before you came to Christ. Am trying to tell you that, there is a higher mark you can attain in your walk with God where the devil just submits to whatever you say hence developing a great confidence in God and love Him more. The shortest route to this mark is Holiness. God does not delight in a lying preacher or Christian, not even in exaggerations or in a faithless person. He is a God of excellency, majesty and honesty.

The Lord instructed me to write a book on the subject of holiness. After a journey and a deep longing to understand this subject of holiness, I looked up the scriptures and any Christian materials written on the subject it being my personal theme for the year but to my surprise there are few books written on this subject in our time. I bless God for those who have endeavored to write and teach about practical righteousness. It is from this point that the Lord spoke to me in a dream, about the urgent need for a book on HOLINESS for my generation and this is the manual in your hands.

Holiness or Holy Living shows the highest mark of your love to the one who LOVED you and DIED for you on the Cross. Holiness is an attribute of God, it is His nature.

Just as we know that God is Love and He commands us to love, in the same way, God is HOLY and He commands His children to partake of this unique attribute of His. The word of God expresses God's desire for holiness in His people as His will.

God's will is for you to be holy, so stay away from all sexual sin. Then each of you will control his own body and live in holiness and honor not in lustful passion like the pagans who do not know God and his ways (1Thessa.4:3-5, NLT).

The reason for living in holiness is: **We are God's temples where He dwells.** God has standards for His temples just as we human beings want beautiful houses with lake views. We clean our homes daily just because it is in our nature (God's nature in us) to dwell in clean vessels.

Your body is the temple of the Holy Spirit who is in you (1 Cor. 6:19).

The Most High does not dwell in temples made with hands (Acts 7:48).

God has ordained one temple on earth to dwell in. It is not a temple made with hands, but the **body of the believer.** Therefore, each one of us needs to know how to keep our bodies in a condition suitable for God to dwell in. The Word of God further teaches that holiness is supposed to be the character of a Christian. The world must identify you with this unique mark.

Furthermore, we have had fathers of our flesh which corrected us, and we gave them reverence: shall we not much rather be in subjection unto the Father of spirits, and live? For they verily for a few days chastened us after their own pleasure; but he for our profit, that we might be partakers of his holiness.

Follow peace with all men, and holiness, without which no man shall see the Lord: (Heb. 12:9-10&14).

From the above scripture, we see how to attain this holiness goal;

1. We must accept and reverence God's instructions and correction in His word. I believe if anyone takes lightly the correction and instruction of the scriptures, because of His love for us, God, like our natural fathers, will allow natural circumstances to build Christian character in us...(to build holiness in us). **It is always safe to obey God & live than to disobey and die.**

2. We must pursue peace with all people. We are to attempt to live peaceably, not allowing quarreling or disagreements that is within our power to avoid. Here is a solemn warning: **We will not see the Lord unless we become partakers of His holiness.** Also, if you're living a life that does not sow and seek peace but a life of quarrels and causing divisions, it's unholy living. You can control your lifestyle, body and live at peace. Any sinful living is selfish living; a life not lived for God. Today in church, there are many unholy lifestyles in the name of grace and graveyard sins almost taking a place of NORMAL. Many Christians are choosing to treat it lightly to live such a grieving lifestyle to the Holy Spirit with an excuse of... "after all everyone is doing it." Excuse me sir/madam, I am not doing it, and I know some in my category!.

Such foul sins like **fornication (fancily named "sleeping around"), cohabiting without marriage, broken marriage vows, addictions, pornography, wrong money dealings, gluttony, laziness, adultery, prayerlessness, incest, etc.** Flee these schemes of the devil. **Our reasonable service is to surrender our bodies and live for God in newness of life, that is Holiness, God's will.**

God is visiting His children with the Spirit of Holiness. The world has long waited for the manifestation of the true sons of God but our sonship will be manifested in Holiness. This alarm is not made to your peers or subordinates, it's made to you. It's time to make the decision of belonging, whether you want to trade with God or with the devil.

This book is intended to help you crash the devil. You must wage a war against the spirit of lawlessness, not to ever entertain it. You must fight it and win. If you do not crush it, it will prostrate you.

In this book I am dealing with three subjects:

1. Sin and its horror.
2. Overcoming sin.
3. The beauty of holiness.

CHAPTER ONE: A FIFTY-FIFTY CHRISTIANITY

Thus says the Spirit of the Lord:

"I'm about to visit this generation, a great move of my Spirit is coming to you my beloved children that will fish sinners into Heaven. Great miracles, signs and wonders of the last day apostolic Church are about to erupt in your time with the authority in my children to take dominion in all spheres. Tell your generation to prepare for this outpouring. My Spirit will dwell mightily in sanctified-surrendered vessels.

Those who shall reverence my name in their lifestyles and exalt me on their platforms will be my suitable vessels to be used in this move".

The kind of a move of my Spirit that Peter and the Apostles saw, that will separate between the Ananias-Sapphira character and my true sons. Son, you will see jokers and those playing games in my kingdom work for self interests drying and withering away in broad day light.

Thou hast defiled thy sanctuaries by the multitude of thine iniquities, by the iniquity of thy traffick; therefore will I bring forth a fire from the midst of thee, it shall devour thee, and I will bring thee to ashes upon the earth in the sight of all them that behold thee. (Ezek. 28:18).

The time is coming so soon for me to do in the Church, both in Uganda and other parts of the world what I'm doing in the nation of Nigeria. You are gonna see a great number of souls flooding Churches and my true set shepherds shall feed them. People shall line up for distances of half a kilometer or more, to enter mega magnificent Church buildings in Uganda and other parts of the world to worship and lift up My name".

A fifty-fifty Christianity will take you straight to hell. God's only medicine in dealing with a lukewarm Christian is by

spitting him/her out of His mouth (Rev. 3:16). When you are spat out of the hot Christian family, any wandering spirit of immorality will take advantage of your body for a residency (Job 2:2).

Righteousness exalteth a nation: but sin is a reproach to any people. (Prov.14:34).

From the above scripture, the end result is clear and uniform to all individuals; "*sin is a reproach, Holiness is an exaltation.*" Nothing good happens when sin is enthroned. I pray by the time you finish reading this book you will be willing to dethrone sin today. Every sin committed, is committed against God. Joseph said, *How can I do this thing and sin against God? (Gen. 39:9).*

There is a move of God coming to our generation but every move of God is enhanced by the ministry of the Holy Spirit. He convicts both of sin and of judgement, and destroys the deeds of the flesh. Sin is so subtle, but bless God, the Holy Spirit can cheaply arrest it. Remember, God has not changed, He is the same yesterday today and forever (Heb. 13:8), and His pattern remains the same. Now, come with me as we take an adventure into the move of God through the Spirit of Holiness.

For if we live after the flesh, we shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live. (Rom. 8:13).

Repentance is the only escape route from the wages of sin (death).

"He that covereth his sins shall not prosper: but whoso confesseth and forsaketh them shall have mercy".(Prov. 28:13).

Wherefore if ye be dead with Christ from the rudiments of the world, why, as though living in the

world, are ye subject to ordinances (Touch not; taste not; handle not; (Col. 2:20-21).

You are either for God or for the devil, for righteousness or for immorality. There is no middle class in this like we have middle class incomes. A point has come to get tired of crumbs and go for the whole blessing. There is no shorter and cheaper path to your full blessing than the path of Holiness. I would rather preach to a radical sinner who wants to know about Christ than having a "Christian joker" warming a Church seat with no genuine love in his heart for my Jesus.

God and the devil operate from totally different embassies. You are either living right or not. A fifty-fifty Christianity will not take you anywhere. I do not care which theological terms you may use to justify yourself but there is one clear truth to both Christians and infidels, the death you feel inside you when you steal, fornicate, or commit adultery. That is what am talking about today. Even if you suppress it and confess heaven and earth on top your lungs, it is not called Holiness, its original and real name is "immorality." Theft is sin with a jail penalty, it is wickedness at maturity and it is the conviction of sin that eats up the inside of your walls accompanied with shame and lack of confidence when you feel bad after committing sin, it's not malaria or nausea but God is just telling you to change. You are only an unpalatable meal to the devil when you are living in Holiness. Do not play with fire. Do not accept to be devoured. Satan is weak but very tricky!

Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour. (1 Pet. 5:8).

YOUR CALL IS TO BE A HOLINESS WITNESS

Ye are witnesses, and God also, how holily and justly and unblameably we behaved ourselves among you that believe. (1Thess. 2:10).

For God hath not called us unto uncleanness, but unto holiness." (1 Thess.4:7).

May this be your testimony too. You need a testimony of holiness, a testimony of victory over corruption and filthiness. If you see it as an impossibility, God specializes in the impossible. If you can do it yourself, then you would not need Him but if you cannot do it alone, He is there to help you. He just wants your determined will to stop immorality in your life. Give Him all your Heart. If this does not tickle you, you just need to draw close to Him in communion. When you get a chance to draw close to the experience of a Holy God, you will see how much you need to enhance your lifestyle in your redemption.

CASUAL APPROACH BEGETS CASUAL RESULTS

A casual approach to the things of God will make you a devil's casualty. A joker has nothing in the kingdom of God and so is a sinner. I would rather spend time enlightening a sinner who am sure is going to refuse my Gospel but for a testimony on the judgement day against him than burning time with an unserious, casual, joking Christian who chose to enjoy the pleasures of sin.

What exactly do you want in life? You will reap what you invested. Unholy living has never produced a holiness hero. The greatest healing evangelists and soul winners have not been practicing prostitutes or drug addicts, not masters of pornography but men like T.L. Osborn, Billy Graham, Reinhard Bonnke, Morris Cerullo, Papa E. A. Adeboye, Bishop

David Oyedepo and many others with a testimony of practical righteousness.

If you take God's gift of salvation for granted, God will take you for granted!

Far be it from me, for those who honor me I will honor, and those who despise me shall be lightly esteemed. (1Samuel 2:30).

LOVE WILL ALWAYS EASILY RESPOND TO LOVE

I love them that love me; and those that seek me early shall find me. (Prov. 8:17).

What best gift can you give to the God you love so much other than living for Him in holiness all the days of your life? We are on our way to a greater move of God than ever before as it has been prophesied for years by God's holy servants. Do you want to be part of it? I eagerly want to be part of it. The hour for your sanctification is now, in preparation for this coming wave of the Spirit.

All through the Bible and history unrighteous living has never ushered in a Godly revival. But every move of God has rode on the wings of Biblical Righteous living as redeemed children of God.

CHAPTER TWO: THE PURITY BARRICADE TO SIN

SATAN CANNOT CROSS THE PURITY BARRICADE

Nothing knocks down the devil quicker than purity. The greatest hammer to hit the devil's head in a single hit and get the job done is called "***The Holiness Hammer***" (Pure living). Satan has never and will never crack the mystery code of Holiness to access you even for a single moment. We are soldiers in a battle and if you do not knock down the enemy, he will knock you down. Scriptures ask us for extra vigilance in our great army. The good news is, though the opposition from hell is great, our victory in Christ is sure!

I know as well as you, that Christ won the victory for us against the devil on the Cross. However, there are standing reasons why he asked us to put on the whole armor of God. If we had no fight to engage in, He would not tell us to resist the devil (James 4:7); if the devil was not pressing on one side towards us. He would have asked us to sleep since it is all done. The reality of it is that we have an enemy whose strength is in sin. Why would you go back, after repentance, to a man with whom you have been sinning for a year and expect to overcome the demon of fornication? You are only fueling the furnace for yourself. The devil is not a gentleman so don't be so gentle to him, or else he will tear your destiny in pieces for good.

There is no greater weapon to smash the devil's head than purity.

EXALTATION

It is safe to ride on the wings of Holiness. Sin has never exalted any man since creation but righteousness exalts an entire nation. No one on the path of sin can survive shame, it is as a down payment.

Be sure that when you live an immoral life shame will be paid to you just on time, at midday!

Righteousness exalteth a nation: but sin is a reproach to any people. (Prov.14:34).

Why should God expand your business if you do not pay government taxes? Why should you be promoted when you are not paying your tithes to that local church which is feeding you spiritually? God has no dealings with thieves, but a covenant with the obedient. Why should a thief yearn for a promotion? For God's sake stay at your level and one day if you are sacked, and a tither takes your position, be at peace and know that mercy has taken a just judgement in such. You reap what you sow. God is not mad to do things against His word.

If you do not pay taxes or your tithes then you're a thief! period. Who promotes a thief to a top level in his company and still expect riches? Or why should you get big contracts if you're not a tither or tax payer? Will you not sink the nation? God is wise, He does not exalt thieves. Whether trained or untrained, male or female, young or old, there is no promotion for sinners in God's kingdom.

I said unto the fools, Deal not foolishly: and to the wicked, Lift not up the horn: Lift not up your horn on high: speak not with a stiff neck. For promotion cometh neither from the east, nor from the west, nor from the south. But God is the judge: he putteth down one, and setteth up another.(Psa. 75:4-7).

If you do not fight sin/unrighteousness, it will sink you deep down until the world forgets about you!

Kora, Abiram and Dathan were swallowed by the ground in broad daylight for unrighteousness in the book of Numbers 16.

I RATHER BE A DOOR KEEPER

For a day in thy courts is better than a thousand. I had rather be a doorkeeper in the house of my God, than to dwell in the tents of wickedness. For the Lord God is a sun and shield: the Lord will give grace and glory: no good thing will he withhold from them that walk uprightly. (Psa.84:10-11).

David chose holiness after a strong lesson he learnt in adultery with Bathsheba. You do not need to experiment with sin in test tubes, its consequences proved subtle in the garden of Eden; lest you be swallowed up in the trap of trying out. David was willing to die if need be to have a right standing with His God. To many who do the opposite this seems impossible but it is the Christian way of life. If you have to choose do not risk to choose against God.

Your desire is your wish, your decision is your choice!

PART WITH SIN AND UNITE WITH GOD

Righteousness and filthiness cannot sit on the same throne together, one has to give way to the other; there is nothing like being in the middle. If sin was no longer an issue after the cross, Apostle Paul wouldn't have written to churches to live holy lives. If living in sin is not an issue today in Church, then I am Queen Elizabeth's distant nephew, and she is about to pay me a visit at home.

God's will is for you to be holy, so stay away from all sexual sin. Then each of you will control his own body and live in holiness and honor not in lustful passion like the pagans who do not know God and his ways. (1Thess. 4:3-5)NLT.

THE GRACE OF GOD

Continuity in sin frustrates and thwarts God's grace. Sin is not a friend, but an enemy to salvation. A preacher I respect highly said:

"When temptation continues, it graduates into provocation, and when provocation is in place, condemnation is sure. If you do not stop tempting Him, He will count it at a point as provocation. And when God is provoked, condemnation is inevitable."

For the grace of God that bringeth salvation hath appeared to all men, teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world; Looking for that blessed hope, and the glorious appearing of the great God and our Savior Jesus Christ; (Titus 2:11-13).

There is a hope we are looking forward to. Are you looking forward to this hope of the King's return, to take us to our great mansions with rewards that can't be compared to any earthly dream? This is what Apostle John says to those with this kind of hope.

And every man that hath this hope in him purifieth himself even as he is pure. (1 John 3:3)

God has waited on you for so long. Don't take His love and patience for slowness.

The Lord isn't really being slow about his promise, as some people think. No, he is being patient for your sake. He does not want anyone to be destroyed, but wants everyone to repent. (2 Peter 3:9).

Jesus said: If man loves me, he will keep my words: and my Father will love him, and we will come unto him, and make our abode with him. (John 14:23). And it's a friend with whom you hold and enjoy fellowship. So God will make His abode with you. He will open the secrets of His heart to you when you choose to love Him and keep His words. That is when you will only allow Him to put the sin barrier between you and Him away.

But when you continue in sin, your future is damned. Stop now! Make a u-turn to holiness. You will never be made whole until you embrace holiness. Wholeness, spirit, soul and body, is a result of a righteousness walk with God. Unrighteousness will end up afflicting your body.

SIN NO MORE

Jesus warned people about the danger of sin and asked them to stop sinning on receiving forgiveness and salvation (wholeness). In John 8, Jesus told the woman who was taken in the very act of adultery to go and SIN NO MORE. He did not tell her to sin less or to sin once more but to sin no more (to stop sinning). When He healed a man who had an infirmity for 38 years at the pool of Bethesda, Jesus said to him; SIN NO MORE lest a worse thing come unto you (John 5:14).

When God gives a second chance to someone, it does not mean that He's too slow or that He's enjoying the immorality he's involved in. Avoid the trap the Israelites set for themselves of tempting God to the tenth time and many died and missed the promised land.

But as truly as I live, all the earth shall be filled with the glory of the Lord. Because all those men which have seen my glory, and my miracles, which I did in Egypt and in the wilderness, and have tempted me

now these ten times, and have not hearkened to my voice; Surely they shall not see the land which I sware unto their fathers, neither shall any of them that provoked me see it. (Numbers. 14:21-23).

When the children of Israel tempted Him in the wilderness, He destroyed them!

Jesus said "**Thou shalt not tempt the Lord your God**". When sin goes on being entertained, it is counted as tempting God. Tempting God is a direct call for His destruction! Sin is not a friend but an enemy. Don't try to tempt God to the tenth time lest you be wiped off the list of those matching to their destiny.

Continuity in sin frustrates and thwarts God's grace.

TAKING ACTION

Sin will never have God's approval. It was the reason He sent His only begotten Son to the world to provide an everlasting solution to the curse of sin. Repent and turn to righteous living today, do not wait for tomorrow.

CHAPTER THREE: THE DAY OF THY POWER

Do you want the supernatural? Would you let sinfulness go?

There is no one single testimony of power to the Church having been received from unrighteousness. The unique strength of the Church comes from Holiness. The reason why we have a lot of entertainment in Church for both genders and all age groups and the tight robotic programs suffocating the power and work of the Holy Ghost is because there is no emphasis on moral Christian values.

If a preacher or a worshipper can have the boldness, after having an immoral night in sin, to majestically with his or her two legs mount a platform to usher God's innocent holy people into a so called presence, then something is not right in the leadership somewhere. We need to be very discerning of this lukewarmness if we are to see the true apostolic power of the latter Church, which Peter and his generation saw.

Believe me or not **we are entering days where some people will just drop dead on platforms if they continue to disrespect and take God for granted.**

CAUTION

I have seen some who arrogantly disrespect their spiritual leaders with deliberate passion. From the New Testament Church, history has shown that the Holy Spirit power upon that servant of God you dishonor, which is meant to help you, works against you and if you're not careful it even kills you. God anoints his servants to bless His children, however, when you disrespect God's servants, you're doing it against God. I am yet to see a person who violated God-ordained spiritual authority in a land and their end was good, unless they broke down and repented. No matter where you go, if you do not repent and change from such devilish character, power,

money, anointing or influence will not take away the consequences. It is better to be wise and walk in holy and new creation character for you to enjoy the day of thy power. All sins are forgiven on repentance apart from the blasphemy of the Holy Spirit (Matt. 12:31-32).

THE BEAUTY OF HOLINESS

The Lord said unto my Lord, Sit thou at my right hand, until I make thine enemies thy footstool. The Lord shall send the rod of thy strength out of Zion: rule thou in the midst of thine enemies. Thy people shall be willing in the day of thy power, in the beauties of holiness from the womb of the morning: thou hast the dew of thy youth. (Psalm 110:1-3).

Nothing is beautiful like holiness, nothing brings confidence like holiness and nothing brings boldness like holiness. If I see someone fidgeting around trying to confuse the clear truth of the Bible, I just know they have not encountered the true Holy God of the word.

In one vision of the night I encountered a late saint, Smith Wigglesworth. He appeared and assured me about the power of God's word, he encouraged me to believe the word of God, what it says to the smallest detail and never to allow any man or woman to talk me out of believing the Word of God because it worked for him it has to work for me. From that time, I have never needed any encouragement from anyone to live a scriptural life of Biblical Holiness. You can join me if you believe in (1Corinthians 6:9-11) and if you truly love God and truly long to live for Him as a token of your love for Him. If you desire to do great things for Him in the day of thy power, holiness is key. Do you think a holiness lifestyle will anger Him? No not at all.

We are in the age of great power in the Church of our Lord Jesus Christ. The above scripture shows that we can have ordinary men and women walking in the power of God, going about preaching repentance, healing the sick, raising the dead, casting out devils, opening blind eyes - just devastating the kingdom of darkness! We are in the days of power and close to a great move of the Spirit!

THE SECRET OF POWER IN HOLINESS

Purity is the secret of power! You cannot separate the anointing of the Holy Spirit from consecration.

Kings and Kingdoms feared the person of Samson. He could penetrate anywhere as a one-man Israel army, breaking chains as though they were threads. The Spirit of the Lord came mightily upon him, and the cords that were upon his arms became as flax that was burnt with fire, and his bands loosed from off his hands (Judges 15:14).

How can you not fear a man who uproots gates and carries them along with the posts and climb the mountains! Then when no razor had touched his head, his Holiness covenant with God was still intact. If we would care to keep our covenant of purity with the Father, the least one among us in this New Testament Church will be greater than Samson, John the Baptist, and Elijah or Abraham because none of those is our limit. Even our Lord Jesus permitted us to do greater works than those He did while on earth.

And every man that hath this hope in him purifieth himself, even as he is pure (1 John 3:3).

God will pour out His Spirit, on purified and consecrated vessels ready and well refined for the master's use.

Turn you at my reproof: behold, I will pour out my spirit unto you, I will make known my words unto you. (Prov. 1:23).

The choice of vessel to be, God left it to us:

But in a great house there are not only vessels of gold and of silver, but also of wood and of earth; and some to honour, and some to dishonour. If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for the master's use, and prepared unto every good work. Flee also youthful lusts: but follow righteousness, faith, charity, peace, with them that call on the Lord out of a pure heart (2 Tim. 2:20-22).

Which vessel do you want to become? Gold, wood or earth? If you desire to be a vessel of gold, sanctification (Holiness) is the only shortest and fastest path to take, flee youthful lusts and call unto God with a pure heart.

CHAPTER FOUR: THE TEN CANCERS CHOCKING HOLINESS

Here are the ten cancers chocking your right standing with God hence hindering your progress. These are graveyard sins, warned against throughout the Bible, which are softly handled today on pulpit preaching.

If you knock them out of your life, I assure you success is a must in any field, be it ministry, career, business or family life.

1. SEXUAL IMMORALITY

Satan is violent and only violence counterattacks him. He is the same old serpent whom we have to overcome by violent determination. The kingdom of God is under a violent suffering from Satan and only the violent get the game done. Not the sleepy or the lazy ones. Lukewarm Christians, jokers or the immoral can't survive in this ring, it's for the bold who are living right. Satan will try to convince you to sin just once more tonight and if he succeeds in that he has taken your destiny.

Rueben, Jacob's first son, had just one encounter with Satan and he lost the firstborn inheritance. He instead reaped a curse for sleeping with his stepmother. Satan may not need many meetings with you but one. After the first meeting it will be enough for him to floor you, he may not ask for a replay, so do not give in for a single moment. He is salivating to have one moment with you to spark a good beginning for him to plough and plunder your destiny.

There are no games to play here. If he set a successful trap of sexual immorality for Samson in a less populated world without the technology of today, the makeup, the gyms to develop six packs, no selfies, no Hollywood nor Nollywood. If he succeeded in the desert of Israel, such a calm world of

that time, he can cheaply succeed in you today in a hyped and indulgent world if you only give him an opportunity to sow into your field.

Samson, the strength of an entire nation of Israel *was* trapped by sexual immorality and slain on the laps of Delilah!

So she seduced him with her pretty speech and enticed him with her flattery. He followed her at once, like an ox going to the slaughter. He was like a stag caught in a trap, awaiting the arrow that would pierce its heart. He was like a bird flying into a snare, little knowing it would cost him his life. (Prov. 7:21-23).

Read well the above scripture, it is saying; As an ox goes to the slaughter and the bird to its slayer, not knowing it was for life; so was Samson he didn't know he was meant for life and victory. His destiny and the destiny of his nation was crashed.

Do you really know that you are for victory and for a great destiny?

Why do you juggle your life?

You are not an exception to the devil's schemes, he has heavily set the same trap for you to, the great emerging warrior of the last day Church. Be careful with these heavy sexual perverse sins; fornication, adultery, incest, homosexuality, lesbianism, polygamy/strange women or strange men, and all other perversions.

Consenting to any is so dangerous that you may come out as a corpse.

Some motivational speakers have changed names and called these sins with more fancy and polite names not to scare sinners but that does not change the fact that sin is sin be it in a good accent or the original accent, in Arabic or English, it's sin, you may call it a weakness but it's still sin!. A

fornicator or an adulterer needs help of a rebuke not an encouragement. They have called fornication sleeping around, they have termed Adultery side-dish and a strange woman is called today in those circles another wife. Terms which have roots in biblical language, sounding light hence promoting them.

Why should I tread on the edge? You can miss out heaven in playing with immorality. Don't you know?

Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God. And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God. (1 Corinth.6:9-11).

Solomon's wisdom was turned to foolishness on the altar of immorality! Solomon loved the Lord walking in the statutes of his father David (Kings 3:3). He was the embodiment of the manifold wisdom of God before Christ. But immorality turned his heart away, and God was angry with him.

But king Solomon loved many strange women, together with the daughter of Pharaoh, women of the Moabites, Ammonites, Edomites, Zidonians, and Hittites; Of the nations concerning which the Lord said unto the children of Israel, Ye shall not go in to them, neither shall they come in unto you: for surely they will turn away your heart after their gods: Solomon clave unto these in love. And he had seven hundred wives, princesses, and three hundred concubines: and his wives turned away his heart. (1 Kings 11:1-3).

We see in verse 4 that:

For it came to pass, when Solomon was old, that his wives turned away his heart after other gods: and his heart was not perfect with the Lord his God, as was the heart of David his father.

The sin of Polygamy turned Solomon's wisdom to madness and foolishness, summarizing his journey when everything to him is vanity.

The words of the Preacher, the son of David, king in Jerusalem. Vanity of vanities, saith the Preacher, vanity of vanities; all is vanity. (Eccle. 1:1-2).

When sin stings and it is not treated, it results into death. If you left your wife or husband with children and you are moving out with a strange somebody to enjoy the pleasures of sin, I want you to know today that God is not happy about it and you will be resisted by all means in all ways. God hates planned and programmed insanity. If you are not careful, you might end up losing everything if not your life. Run back to your spouse and take up your responsibility.

Bless your fresh-flowing fountain! Enjoy the wife you married as a young man! Lovely as an angel, beautiful as a rose - don't ever quit taking delight in her body. Never take her love for granted! Why would you trade enduring intimacies for cheap thrills with a whore? for dalliance with a promiscuous stranger? Mark well that God doesn't miss a move you make; he's aware of every step you take. The shadow of your sin will overtake you; you'll find yourself stumbling all over yourself in the dark. Death is the reward of an undisciplined life; your foolish decisions trap you in a dead end. (Prov. 5:18-23) MSG.

TAKING ACTION

But now I have written unto you not to keep company, if any man that is called a brother be a fornicator, or covetous, or an idolater, or a railer, or a drunkard, or an extortioner; with such a one no not to eat. (1 Cor 5:9).

A Christian, not married but you are freely living in fornication or cohabiting with a "sinner-mate"? Go now, pack your luggage and leave. Whether you are living in a condo or a slum, you're living in sin, FLEE! TO WHERE? Whether on a street if you must, than going to hell from a posh condo or a mansion.

If you got children in sin ("out of wedlock"), get to church see a pastor, get wedded and live in a sanctified marriage. Or go to court get a formal wedding then get a servant of God to bless your marriage. With that you will be free from the sin of sexual perversions.

2. THE DOCTRINE OF DEVILS

Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils (1 Timothy 4:1).

Many have heed or if not careful will give heed to the many seducing spirits released by Satan as traps to the children of God. Satan, operating with the doctrine of devils, is and will continue to seduce you to make you believe a lie, or to feel that; ignoring true faith, strange doctrines, lukewarmness and immorality is not dangerous, that it doesn't really matter a lot, it's nothing before God, and that everybody is doing it.

You're not everybody, you are you. Purity must become our target.

If you hear a voice saying after all everyone is doing it, that's the devil speaking! We should examine ourselves and return to the Lord. Your yea must be yea, and your nay must be nay.

If any man teaches otherwise, and consent not to wholesome words, even the words of our Lord Jesus Christ, and to the doctrine which is according to godliness; He is proud, knowing nothing, but doting about questions and strifes of words, whereof cometh envy, strife, railings, evil surmisings, Perverse disputings of men of corrupt minds, and destitute of the truth, supposing that gain is godliness: from such withdraw thyself. But godliness with contentment is great gain. For we brought nothing into this world, and it is certain we can carry nothing out. And having food and raiment, let us be therewith content (1 Timothy 6:3-8).

If I, as preacher, start to proclaim my greatness, my wealth, my powerful gifts, my supremacy, focusing on myself then, God forbid, I have forgotten Christ. The devil also started that way and when his "I"s couldn't more be tolerated in heaven he left and up to now he's on earth wandering to and fro (Job 2:2).

If Peter said to Cornelius, "stand up, I am also a man" (Acts 10:25-26) and an angel refused the worship of John (Rev. 22:8-9), why should I accept extreme human and self exaltation. Everything we have is totally by God's grace. There is nothing in any man that has not been put there by the grace of God.

The Holy Spirit came not to exalt any man but Jesus. We should not fight hard checking for wrong doctrines. The primary litmus test is; ***who is exalted on that pulpit or on that TV show? A man's gift or the giver of gifts? Is***

God being exalted or man is comparing himself with the entire Christendom?

NOTE: In my generation we are about to see men and women withering in public for disrespecting God. We shall also see men and women who know and love their God calling down fire from heaven.

A preacher competing in cars and congressional weekly gatherings?, who is going to heaven with a Church? Or a Christian Woman, in competition with their neighbor in clothing and foods which are to perish? Let's watch! You will soon compete with God if you are not careful. In wisdom let us wisely enjoy the blessings God has given us lest we be trapped.

For we dare not make ourselves of the number, or compare ourselves with some that commend themselves: but they measuring themselves by themselves, and comparing themselves among themselves, are not wise (2Cor 10:12).

If someone tells you it does not matter how you live, it's all well as long as you just confessed positive irrespective of your character, he's a liar.

And he said to them all, If any man will come after me, let him deny himself, and take up his cross daily, and follow me. (Luke 9:23).

If self-denial is misinterpreted for self-indulgence then we do not know what Jesus meant in asking each of us to carry our cross daily and follow Him. It is surprising that some people who are watching you dying in sin are living right but they just do not love you or wish you well in not telling you the truth. Some preachers are living in Holiness but they encourage no one on pulpits in this area after discovering the

beauty of it, they do not even mention Holiness in fearing of losing congregants. All of us are called to teach sound doctrine; our living for the glory of the Lord Jesus Christ. Paul says:

For none of us lives to himself, and none of us dies to himself. For if we live, we live to the Lord, and if we die, we die to the Lord. So then, whether we live or whether we die, we are the Lord's. For to this end Christ died and lived again, that he might be Lord both of the dead and of the living. (Rom 14:7-9) ESV.

3. THE MONEY SNARE

For what shall it profit a man, if he shall gain the whole world, and lose his own soul? (Mark 8:36).

A feast is made for laughter, and wine maketh merry: but money answereth all things (Ecc 10:19).

Thank God we are in the Church age of true covenant wealth, we need to be vigilant not to end up in destruction due to plenty.

Riches profit not in the day of wrath: but righteousness delivereth from death. (Prov.11:4).

A great error is running around of false identity. Satan has convinced many today that **the more money you have the more God you know.** It is not true, there are many rich fools who say there is no God (Psa 14). If the bigger the car you drive or number of cars paraded in your convoy or compound is a direct proportion to the knowledge of God in you as some poorly think then some Muslim princes in Saudi Arabia are devoted saints.

Plenty is good and I love it because it's my covenant right but when plenty has become your identity, that's now insanity

and the worst myopia humanity has ever experienced since the day Herodias' daughter craved for John the Baptist's head. Purity must be your identity also for plenty not destroy you.

If you're involved in corruption vices attached to unrighteous dealing with wealth like embezzlement, bribery, thefts, lies, drug trafficking and betting to get money, let's wait for your end.

Jesus said, the chances of the rich getting to heaven, are very thin and slim. The reason is, because they're so vulnerable to immorality. Wealth operations outside the ring of righteousness can become a curse.

THE ROOT OF ALL EVIL

The root of ALL evil NOT some evil but ALL evil is....

But they that will be rich fall into temptation and a snare, and into many foolish and hurtful lusts, which drown men in destruction and perdition. For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows". (1Tim 6:9-10).

Every strong tree has its strength in roots. Evil has its roots in the "love of money." As long as the root is in place, the tree will keep bearing fruits. Until the root is destroyed, there is still hope for the tree of money love. Holiness has her roots in loving God and living to please Him.

No one goes into witchcraft because he fell in love with the devil, no, it is the love for money. The same with thieves and the corrupt. The highest percentage of immorality, if not all, is due to the unhealthy love for money.

To what extent do you love God?
Do you love that man who is leading you in sin for money more than your God?
God does not need your money. Your position and influence is worthless! It is your stand in Him that matters to heaven!
A man's life does not consist in the abundance of things that he possesses, but in the abundance of God which he has. Until you love God and love to please Him more than anything on earth or any human being, you won't escape sorrow. Your eyes will never be satisfied but always craving for what others have which you don't.

You can't be free from the demonic spirit of unthankfulness, competition, complaining, murmuring and sorrow when you're a money lover. There's no money lover on earth who is thankful even if you give him the whole world he will receive it and continue in complaining and murmuring.

No money lover will ever be sorrow-free. Why? They pursue gold and miss God, the creator and giver of gold.

Every money lover is bitter, full of strife and envy. If you're always like that, examine your "**money-love quotient**" it's always far higher than the "**God-Love quotient**".

It takes deliberate sought after deliverance to be free. You have a chance now to be free after reading this book if you want to!

Two kings cannot reign on the same throne at a go, one must give way to the other. Either of the two will have to crave for human worship - the living God and the god of gold. You are either worshipping the living God or the god of gold. You cannot serve two masters at a go. You cannot be in the middle. Not until purity takes on your life, you will not locate true identity and plenty will become a curse to you and kill you.

The scripture has said: which while some coveted after... have got bruises and are sorrowful. Every money lover is sorrow bound, no matter whose son he is, which palace or nation on earth he is living in, he is sorrowful. Many look weak and sad not because they are in a three days fast or sick, but their idol (the god of money) is making a payment to them and on time for loving him! Thank God I chose to love my God.

Why do you go for scars when you can have God and money rightfully?

I pray in the name of Jesus Christ, May you never end your life in sorrow.....Amen!.

If you crookedly work your way to wealth you will soon come down. It is just a matter of time, if you survived yesterday, you may not today, with those crooked deals. When God is out of your riches, it becomes very risky, anytime you are landing flat.

Why don't you pay your full tithe for example?

**If you are not gathering with God, you're scattering!.
If you don't pay your tithe in love and peace, God will collect it in one way or the other!**

Why do you leave the door open for the devourer to systematically plough you on a monthly basis? Many robe God by refusing to pay their tithes but they still end up in unnecessary plunders like hospital bills and so on. They would rather pay so much in the hospital than giving just 10% to the maker and keeper of their health?

MONEY, RUN FOR IT WILL SLAY YOU!

In the way of righteousness there is life; and in the pathway thereof there is no death. (Prov.12:28).

Why do you live like a thief having small side businesses your spouse does not know about? You hide your salary from your spouse when you lied in

Church on your wedding day that all you have is theirs till death parts you!

OR you're just private at times! You are not just private at times sir/madam, you are just greedy, a liar, immoral and a committed worshiper of the god of gold.

REPENT AND WALK IN LIGHT WITH YOUR SPOUSE FOR YOUR GOOD. HEAVEN IS REAL AND HELL IS NOT SO FULL FOR YOU TO FIT IN THERE SIR/MADAM! It's up to you!

If you run after money, money will slay you. You do that at the expense of your soul. Where shall your wandering soul find rest if not in God?. In Mark 10, when Jesus tried to touch the great possessions of a rich young man, he chose money at the expense of eternal life. He said touch not the gold, if eternity is such expensive to the giving away all I possess take your eternal life, I'll keep my money. How many are there today whose possessions means much more to them than eternal life? ***Will you pack your gold in bags and enter hell with it? If you succeed, it will burn at the entrance of hell just before you approach the flames waiting for you.*** Think twice.

TAKING ACTION

But thou, O man of God, flee these things; and follow after righteousness, godliness, faith, love, patience, meekness (1Tim. 6:11).

Repent and walk in Holiness/godliness, the sure truth is that you will come to the top within no time. To flee is to run without preparation or looking behind. You do not prepare to flee, so that you will have a safe exit plan. There is no safety in sin, just run as an antelope on seeing a lion, it does not

plan for the run, or which direction to go, it just starts to run in the opposite direction of the enemy.

4. THE EVIL OF LIES.

Ananias and Sapphira his wife died for telling lies, they sinned (Acts 5:1). This was after Christ had gone on the cross and had said it is finished! The grace was present, the same grace you have today, but they lied to the Apostle of God and went home straight away. Don't go home so quick because of unrighteous living, you have a lot of work to do for your master here on earth before you cross.

Lying is a sin that will terminate you just like death if you only give it another day. There is no peace in telling lies. In case you are struggling in this area, repent and ask God to put a hot coal of fire on your lips, the Holy Spirit will help you. Gehazi lied, he did not only miss the great mantle of prophet Elisha, he became a living leper. When he saw that his master rejected the things Naaman offered in return for his healing, he secretly ran after Naaman and said, my master has sent me to you. He just got some guests and he said, I should collect two raiments for them (2 Kings. 5:22).

Why do you lie to get money? If you ask a shopkeeper to put a different figure on the receipt, you're lying and stealing at the same time. I once went to a store to buy some items and I paid one million Uganda shillings. The young lady attending to me asked, what figure do you want on the receipt? I was a bit confused by the question, I didn't know what it meant. I later told her to write exactly what I had paid for the items.

He that is faithful in that which is least is faithful also in much: and he that is unjust in the least is unjust also in much. (Luke 16:10).

Make no friends with a liar. Sin will continue as long as you keep wrong company. There are people you spend time with who feed you on lies for hours; their lies will corrupt you and you will forget all about God. There are certain friends and relationships you must stop today, or else you will sail together into prison for lying.

5. THE GREAT SIN OF IDOLATRY

Idolatry means, to have another god in the place of the Living God. It is a great sin. Moses cried to the children of Israel about this great sin when they made gods of gold to worship them.

And Moses returned unto the LORD, and said, Oh, this people have sinned a great sin, and have made them gods of gold (Exod. 32:31).

If anything will substitute your worship of God, call it by its proper name, it's your IDOL!

Little children, keep yourselves from idols. (1 John 5:21).

COMMON IDOLS OF OUR DAY

- a) If you only go to church when it is convenient, or you begin to complain of not having enough time to go to church, that's the first sign; the cancer will grow if not carefully treated and you will eventually denounce Christ.
- b) If you can spend Church time in a salon, you are finished, you have an idol on your head, you are on your way, we just need to wait a little bit.
- c) If you have been going to Church, you get married to someone who wants to keep you at home, eating, sleeping

and on films in Church time, let's watch! You are going and soon you will drown and be done.

d) If there is a TV program that will not let you go to Church and worship the living God, may you never own a TV set in your home for your own good.

e) Business, business! May you never see any promotion or business expansion that will not let you worship God, in Jesus name!

f) If you find it convenient to make visits to your friends in worship time, oh, oh! Let us watch you! Put a stop on any friends who always make visits in your time of Church going.

g) If you are too big to be pastored by any local assembly, you belong to a TV assembly, ha ha!

You are the greatest joker of the 21st century. One day you will need a family of believers to celebrate your victory with or to mourn a calamity with you (jokers cannot escape calamities, don't be deceived). That TV will not respond to your pride. You just have an idol in the house, pack it and give it away to someone.

h) Woe unto you whose business meetings fall on Sundays in your worship time. You have an idol in the making. You are taking God for granted, He will take you for granted when you need Him most. He is the one who started the business of sowing and reaping, so be wise and sow well.

i) If football or any game is still dictating your Church worship, it has become a god. Living with any form of idolatry is waging war against God. My sister or brother get to know this early, YOU WILL LOSE IT. Who ever fought God and won? Satan couldn't for your information, how about you?

j) CHILD worship. Children dictate to parents when they can attend church as early as five. They cry to be at beaches and spending time at KFC on a sunny Sunday morning. They choose any kind of demonic haircuts and demonic clothes, and parents are saying it's what they want; "THE CHILD'S CHOICE" syndrome. They start poor clothing just as long they can pronounce a word out of their mouth.

All that is called "child worship." Its sin, be a Christian parent and take responsibility. If you and your child forget God in your prosperity and breakthroughs, He will also forget you one day when your dear son at 18 years of age is on a list of the wanted, for tormenting the surrounding communities.

I learnt to pray this prayer a great father prayed years back. I still pray it for myself. May it be your prayer too:

*Wherever I will get to and Your presence eludes me,
let me never get there.*

*Whatever I will own that will make You disown me,
may I never own it!*

*Whatever I will possess that will make You dispossess
me, let me never possess it!*

*Whatever position I will get to, that I will no longer
see you, may I never get there!*

I MET A MAN IN 2013 WHO WAS ONCE IN IDOLATRY

I met a man who once bought a god (charms) from Mombasa and brought it to his home to become richer compared to another tycoon. He said, "I got the wealth I wanted but I was more miserable. The charms killed some of his immediate family members, animals and birds to balance the equation between the god and him." When someone, an animal or a bird dropped and died, wealth increased, until he passed his competitor. No one knew about his secret, not even his wife,

apart from suspicions due to some heavy and conditional tight restrictions in some parts of the home. Until the charms asked for more which he could not give. He returned the gods to where he bought them and lost everything in an instant. He got born again and is now a wonderful pastor.

If you are still keeping the idols that you got before you met Christ you're in trouble. What is that which the witch gave you on buying your first car to hang at the front, or to put under your boss' seat? What shows up at night when you're about to sleep? What did your mother give you on starting school or on your wedding day to put under the bed which you still have even after you met Christ! What's that you are hiding when your wife comes? What is the use of that umbilical cord in a bottle in a corner? Which unscriptural daily, secret and quiet confessions do you make at 2am when everyone is asleep in the house? Where did you get that root you chew every morning in the toilet? What's in that small white jerrycan from which you sprinkle at 3am or in the absence of your husband? Is it from God? So friend, do you add anything unscriptural to the Living God?

***Nothing in all creation is hidden from God's sight.
Everything is uncovered and laid bare before the eyes
of him to whom we must give account. (Heb.4:13)NIV.***

All things lay bare before Him and He's seeing everything in your secret chamber. One day every secret, I mean every secret will be displayed and rewarded openly in broad daylight at midday.

THE SECRET OF KING ASA'S VICTORY

King Asa knew he would get nowhere with God without dealing with the sin of idol worship. He first had to clear away his mother's gods.

And also Maachah his mother, even her he removed from being queen, because she had made an idol in a grove; and Asa destroyed her idol, and burnt it by the brook kidron. (1 Kings 15:13).

God wants every idol in your life burnt so that you progress on wings of Holiness, otherwise you will get nowhere. It is you to surrender to the burning of every idol in your life not anyone else. If you are seeing no progression in your life since the day you gave your life to Christ, things have just been going downwards, then most likely it is because of that ungodly thing you are still secretly entertaining in your life.

TAKING ACTION

Choose godliness and pursue it, adding nothing to it.

If any man teach otherwise, and consent not to wholesome words, even the words of our Lord Jesus Christ, and to the doctrine which is according to godliness; He is proud, knowing nothing, but doting about questions and strifes of words, whereof cometh envy, strife, railings, evil surmisings, Perverse disputings of men of corrupt minds, and destitute of the truth, supposing that gain is godliness: from such withdraw thyself. But godliness with contentment is great gain. For we brought nothing into this world, and it is certain we can carry nothing out. And having food and raiment, let us be therewith content. (1 Timothy 6:3-8).

6. THE SIN OF DISOBEDIENCE / REBELLION (WITCHCRAFT)

Disobedience is reaction against leadership, telling yourself you can do better than your leader.

Fighting leadership is to disqualify yourself from becoming a leader. If you become one you will fail for sowing badly. Rebellion is a deliberate reaction against order, targeted at leadership at all levels; in the Church of God, in a home or anywhere else. The Bible clearly says disobedience, rebellion and witchcraft are the same. There are many consequences of disobedience. Saul sinned in disobeying God and lost the kingdom, his life and family.

For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry. Because thou hast rejected the word of the LORD, he hath also rejected thee from being king. (1 Sam. 15:23).

We later see that after one act of disobedience, Saul ended up consulting a witch. He completely lost it; he became a witch. Some people are deliberately rebellious to the point of being willing and prepared to pay the penalty or sacrifice if anything backfires but who knows whether you will always reach the level of sacrifice. You can lose everything even your life in rebellion. In any case obedience is better than sacrifice.

In any home where divine order is not accepted, peace never reigns and wars never cease. Leadership is God ordained for our good whether in a home or in Church.

**When you do not believe in order, you are a rebel.
When you do not respect leadership, you're a witch.**

If you are a rebellious woman, disrespectful to your husband, you are an international witch operating from the Middle East. **You may call it mood-swings, reaction, hereditary, hormonal or liberty of expression, but God calls it witchcraft!**

A rebellious woman or man is more dangerous than a spirit of infirmity. One command in the name of Jesus casts out the

spirit of infirmity but a rebel fears no name or authority both on earth or in heaven but targets to fight anything above him/her. Satan, the father of rebels, first rebelled in Heaven and is continuing his ministry on earth. **If someone is rebellious at home, they will do worse at church or at their work place.** If charity begins at home then rebellion is groomed at home.

God cannot promote a disobedient person; He knows that doing that is equipping a self-groomed rebel. He knows all your ways, what you eat, how you move and how you sleep. It's safer to wipe out a rebellious character on time. Saul died just in time for David to become king and Ahab was smitten in daylight, he didn't recover. No rebel can be counted to be living in Holiness. You are either a Holiness witness or a witch but not both. Rebellion has never exalted anyone but it has floored and slain many and still counting.

Wives, submit yourselves unto your own husbands, as unto the Lord. For the husband is the head of the wife, even as Christ is the head of the church: and he is the saviour of the body. Therefore as the church is subject unto Christ, so let the wives be to their own husbands in every thing. Husbands, love your wives, even as Christ also loved the church, and gave himself for it; That he might sanctify and cleanse it with the washing of water by the word, (Eph 5:22-26).

Such a simple scripture which many educated men and women have failed to comprehend! Modernity is the number one enemy to today's families.

Where there is no submission and love between husband and wife, forget about sanctification (Holiness). Because the authority of the Word (an agent of sanctification) that works like clean water to wash, cleanse and sanctify that marriage is violated. If deliberate change is not considered immediately in such a home, Holiness will remain a wish and a dream

between two rebels throughout this side of eternity, that is in case by any slim chance they remain together, not giving a chance to the enemy to put them asunder.

It highly pains the devil to see one smiling couple obeying God's word, he will always dream of the day he can divide them by just tricking one of them to violate God's order of the word. Remember what happened in the garden of Eden, the woman first ate! Woman don't eat, just obey the Bible for your own good. Fear not but thank God, we are more than conquerors in Christ Jesus.

The end of rebellion is death! Dathan, Korah, and Abiram rebelled against Moses and died plus their entire households and their associates. (Numbers 16.31).

When a man is trying to please God, God makes even his worst enemies to be at peace with him. (Prov.16:7) TLB.

TAKING ACTION

Obey God's commands and He will love you and manifest Himself to you. Take Him at His word, there is no issue in the world His word cannot solve. All solutions you ever needed or you will ever need are in the Bible. If you decide today to obey and respect the Bible (that is to read it and do what it says), no rebellious character will ever manifest in you.

Have confidence in your leaders and submit to their authority, because they keep watch over you as those who must give an account. Do this so that their work will be a joy, not a burden, for that would be of no benefit to you. (Heb. 13:17).

And this is love: that we walk in obedience to his commands. As you have heard from the beginning, his command is that you walk in love. (2 John 1:6).

7. DRESSING

The body is God's holy temple; He created it in His own image with such a great value. It has to be honored and handled with reverence in Holiness, measuring the price Jesus Christ paid to redeem your body. You do not need to be so cheap to the world by displaying your body to the public. If your goal is to gain recognition, decency can do the job far better.

We are all the same, woman you don't have more legs than others. So which new point are you trying to prove to your generation which Sodom and Gomorrah or Jezebel and Rahab didn't prove? Woman calm down! For your information, Rahab later chose to serve God when she appreciated the beauty of godliness when she kept God's spy team and saved her family. Will you serve God as a holiness witness? As an individual, I am disturbed with tight clothing (leggings) which display people's nakedness both in grownups and children. Patra shorts and bras (low-cut garments) exposing the body must have come from the underworld. I discourage Christians from having such in their closets.

If you already have a tattoo on your body, God still loves you. If you do not have one, I discourage you from getting it; let it be your reasonable sacrifice unto your God.

May God declare me a curse to my generation if I ever enter a pulpit like a ruined thief half dressed in torn pants. I made a vow of decency long ago and am at peace. I do not know which image you want to paint to your generation and children.

DON'T TEMPT YOUR CHILDREN

Do not tempt your children. Ham moved out with a curse when his own father Noah exposed him to a curse. He drunk and lay naked, Ham his son bumped into him and it resulted into a curse.

And Noah began to be an husbandman, and he planted a vineyard: And he drank of the wine, and was drunken; and he was uncovered within his tent. And Ham, the father of Canaan, saw the nakedness of his father, and told his two brethren without. And Shem and Japheth took a garment, and laid it upon both their shoulders, and went backward, and covered the nakedness of their father; and their faces were backward, and they saw not their father's nakedness. And Noah awoke from his wine, and knew what his younger son had done unto him. And he said, Cursed be Canaan; a servant of servants shall he be unto his brethren. (Gen. 9:20-25).

It was not Ham's mistake, he did not undress his father, but he reaped an instant curse. Who revealed to Noah his son's sin of seeing his nakedness, seeing that Noah was asleep? The Bible says he woke up and knew! If you are not careful, you will know one day from the Hams you are raising. Just give it time, you will wake up one day and you shall surely know just as Noah knew!

"But Christ has redeemed from the curse of the law." My friends don't misunderstand the scriptures and try to tread in Ham's path. I have prayed with Christian victims for deliverance from the Ham curse in this New Testament Christianity.

What a great danger many are exposing their children to, by their daily poor dressing. Do you want to be a Mother to

Hams? Do not go into theological discourses, you have got what I mean here.

I personally think, the reason why some children are confused, become failures, finding it hard to conceptualize the simplicity in Christianity but get spoilt so early, is because of the temptations their mothers and fathers expose them to through wicked dressing in their childhood. On growing up, they just get confused, they start doing funny things unheard of in the world because of early exposure to insanity and the Ham curse they experienced. I partly judge it this way because of the little experience I have got in ministering to a few victims, and a few stories I have heard following this trend.

8. GLUTTONY

Gluttony is uncontrolled, aimless and undisciplined excessive eating. It can be called greed or the demon of "food worship." This character or spirit has to be crushed if you will walk in Holiness. If you can't control your appetite it will be very hard for you to walk in Holiness. You will lie to eat, you won't be free from sinning just to get money for excessive eating.

You will never be free from debts if you are a glutton, you will always borrow to eat. Don't worship food to such an extent! God will not compete with an idol of a pizza, or mere chicken at KFC, which He Himself created.

If you can't forego meals and fast for spiritual growth, it is going to be hard for you to break certain trends of immoral habits in your life. Food can become your god to an extent of offering your body in sin just to have an evening at a food joint with a sinner or in a sinner's house. Am not speculating or exaggerating on this point, I have come across these situations as a preacher in beloved children of God who didn't know how to go about them or were taking it a simple matter

but when they ran to God, He granted them their breakthroughs after a total surrender. Uncontrolled appetites have put many in prisons and some in graves not to return. Appetites have put many in endless expenses of Hospital bills, and unnecessary bills and wasted time in gyms. Going to a gym is very good and healthy but it can be achieved in a stress free manner.

9. LAZINESS, GOSSIP AND INDULGENCE

If you are lazy you're treading in the vineyard of temptations. You will not just easily kick out immoral behaviors if you are lazy, a gossiper and self indulgent.

An idol mind is the devil's workshop, gossip separates the best friends and self indulgence grooms sin.

Idle hands are the devil's workshop; idle lips are his mouthpiece. An evil man sows strife; gossip separates the best of friends. Wickedness loves company and leads others into sin. (Prov.16:27-29).TLB.

Give yourself to studying, to prayer and to working.

Diligent hands will rule, but laziness ends in forced labor. Anxiety weighs down the heart, but a kind word cheers it up. The righteous choose their friends carefully, but the way of the wicked leads them astray. The lazy do not roast any game, but the diligent feed on the riches of the hunt. (Prov.12:24-27).

Whenever you get involved in gossip, it chokes the presence of the Holy Spirit. It is actually a sin to talk about people in an unhealthy way. Avoid people who gossip if you will progress quickly as a Holiness witness.

The LORD does not let the righteous go hungry, but he thwarts the craving of the wicked. Lazy hands make for poverty, but diligent hands bring wealth. He who gathers crops in summer is a prudent son, but he who sleeps during harvest is a disgraceful son.(Prov. 10:3-5).

If you are lazy, poverty will come to you as an armed robber. Many are wasting time and kingdom money in self-indulgence on boat cruises, aimless tours and travels when there are people who are sleeping hungry in their neighborhood.

How many preachers are begging for money to go and win souls or remain on air to preach to millions of souls? Have you responded to any, or you are aimlessly spending money. Remember we are stewards and there comes a day to give an account of everything God has entrusted you with.

How can your Pastor be thrown out of a house when you're spending an equivalent of his 6 months rent in indulgences of dream trips to nations?

How do you buy a fourth car and park it in your compound when a mission to win souls is failing because of money?

Do you really know the value of a soul?

Oh may God teach you that! Or else which heaven are you going to where you don't care about the lost?

You spend money on four holidays a year when you can educate ten poor children or support an orphanage with just quarter of that money!

Be careful with the sin of self-indulgence. God is going to severely judge many. It is against true righteousness.

MY PERSONAL LIFE STYLE

I made a decision in life never to spend money on some things I won't mention here just to spare you; but to spend the largest percentage of my income on preaching the gospel, to help preachers of the gospel and the poor. I made this vow and a promise to the Living God on that matter, and am following that principle.

How do you spend your God given blessings?

10. PORNOGRAPHY & ADDICTIONS

No matter your age and how spiritually strong you are, as a man or woman, if you go for pornographic movies, magazines, and social media groups, the spirit of immorality, fornication, adultery and whoredom will settle and rest upon you to stay!

Doing wrong is fun for a fool, but living wisely brings pleasure to the sensible. (Prov.10:23) NLT.

Why should a parent expose their children to pornographic shows and movies? In the first place, why do you subscribe for such channels in your house? If you deliberately choose to be sinful as a parent, buy another TV, put it in your bedroom and work your way to hell alone. Keep your phone to yourself and die alone in sin but love your children and give them the best future.

Avoid magazines, newspapers, social media groups and internet if they are the source of your trouble. Buy a phone without internet and forget about smartphones. It's far better to go to heaven with an internet-free cheap Itel or Nokia phone than going to hell fire eyes wide open scrolling an iPhone or a Galaxy-note-something!

Wherfore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you. And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty. (2Cori.6:17-18).

If you are a drug addict, vow not to touch a cigarette or a bottle of that nature. In case you are tempted to do it again start praying in tongues, run to a public place then God will provide an escape route at that point. Seek for help from your pastor, mentor or an elder who is strongly grounded in sound doctrine.

CHAPTER FIVE: THE GOOD NEWS

God is willing to pour His love and to reveal His great secrets to you when the sin barrier between you and Him is gone. Would you let sin go?

You are my friends, if you do whatever I tell you to do (John 15:14).

THE HOLY SPIRIT IS THERE TO HELP YOU

Jesus came on earth to destroy sin and its consequences. He left us the Holy Spirit as our only helper. We have always sought Him for guidance and anointing but He is also called **The Spirit of Holiness.** This means that by nature He brings about holiness to anyone He fills.

When the enemy comes in like a flood, the Spirit of the Lord lifts up a standard against him. (Isa. 59:19).

And declared to be the Son of God with power, according to the spirit of holiness, by the resurrection from the dead (Rom.1:4).

When you thirst for the Spirit of holiness, you start to grow into Holiness and this growth goes on as long as you desire it to eternity.

Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you. And when he is come, he will reprove the world of sin, and of righteousness, and of judgment; Of sin, because they believe not on me; Of righteousness, because I go to my Father, and ye see me no more; Of judgment, because the prince of this world is judged. (John 16:7-11).

If ye then, being evil, know how to give good gifts unto your children: how much more shall your heavenly Father give the Holy Spirit to them that ask him? (Luke 11:13).

THE WORKING OF THE HOLY SPIRIT

The Holy Spirit works in humanity by reproving or convicting the world:

1. Of sin.
2. Of righteousness.
3. Of judgment.

If you are not born again, do not resist the conviction of the Holy Spirit about the state of your life; everything begins with laying it all at the foot of the cross. This brings about being at peace with God. In Acts chapter two Apostle Peter preached in the power of the Holy Ghost and sinners listening to him were pricked in their hearts or convicted of sin. As a result 3,000 people repented and gave their lives to Jesus Christ.

That is when step two of righteousness comes in.

Of judgement, because the prince of this world is judged already. When you meet the conditions of repentance, the benefits of righteousness start to manifest in your life. Devils flee at your appearance and at your word whatever you bind is bound and whatever you lose is loosed, because the same authority the Father sent Jesus with was given unto us to destroy the works of the devil.

The battle to overcome sin is not a lonely battle, we have the Holy Spirit and His power to help us only if we cooperate with him.

And I will pray the Father, and he shall give you another Comforter, that he may abide with you for

ever; Even the Spirit of truth; whom the world cannot receive, because it seeth him not, neither knoweth him: but ye know him; for he dwelleth with you, and shall be in you. I will not leave you comfortless: I will come to you. (John 14:16-18).

He will pour out His Spirit, so that when the enemy comes like a flood, that Spirit will set a standard against him. When He comes, the Holy Spirit comes with power to overcome sin, and turns us into witnesses of Holiness. That is when the supernatural starts to operate in our lives.

"But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth". (Acts 1:8).

The power of the Holy Spirit cannot flow in an un sanctified vessel but in a clean vessel. We have to be aware, that as soon as the power of the Holy Spirit comes on the scene, Satan knows that the only way to trap this power is through immorality, by sending more Delilahs and Jezebels. Satan registered a success in this area on Samson in the Old Testament.

Our time is now to see great exploits for the glory of our Lord Jesus Christ. We must be on our guard to see that the devil does not trap us. Decide to walk this holy journey, it is a possible adventure. Many have walked it and triumphed. I am on it to triumph; come on it and triumph.

SIN AND THE HOLY SPIRIT

A) Sin quenches, suppresses and extinguishes the Holy Spirit

Quench not the Spirit (1Thessa. 5:19)

B) Sin grieves the Holy Spirit

And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption. (Eph 4:30).

C) Sin tempts the Holy Spirit

Then Peter said unto her, How is it that ye have agreed together to tempt the Spirit of the Lord? behold, the feet of them which have buried thy husband are at the door, and shall carry thee out. (Acts 5:9).

D) Sin blasphemes the Holy Spirit

Wherefore I say unto you, All manner of sin and blasphemy shall be forgiven unto men: but the blasphemy against the Holy Ghost shall not be forgiven unto men. And whosoever speaketh a word against the Son of man, it shall be forgiven him: but whosoever speaketh against the Holy Ghost, it shall not be forgiven him, neither in this world, neither in the world to come. (Matt. 12:31-32).

If you want to see the power of the Holy Spirit, get quickly in good terms with Him by saying enough is enough to a life of sinfulness and begin to live as a redeemed child of God.

DANGERS OF SIN

The righteous hate what is false, but the wicked make themselves a stench and bring shame on themselves. Righteousness guards the person of integrity, but wickedness overthrows the sinner. (Prov. 13:5-6).

Holiness comes with exaltation but sin presents shame and overthrows you. From the beginning, sin worked to bring shame to man. Righteousness is the only way to have honor restored to humanity. Jesus paid the price for our righteousness but showed us His will for us to continue in it; that is to live in Holiness.

CHAPTER SIX: OVERCOMING SIN

I) CUT ASSOCIATION WITH THE IMMORAL

Be not deceived: evil communications corrupt good manners. (1Cori. 15:33).

The company you keep determines the life you live. If you want to live right, keep the right company. No matter how anointed you are, no matter how much you love God and are dedicated to Him, no matter how much you fast and pray and make vows filling heaven and earth, evil communication will corrupt good manners!

If you have a friend or a group of friends, brother or sister influencing your sinfulness, throw them away. It is better to be lonely and go to heaven than having a great company of friends and you all burn in hell.

The righteous choose their friends carefully, but the way of the wicked leads them astray. (Prov. 12:26)

He that walketh with wise men, shall be wise: but a companion of fools shall be destroyed. (Prov. 13:20).

Look out for the right friends who will build you up spiritually. If you are involved in unclean businesses with some people, it is time to leave. Do not wait for your share, never plan a safe exit from sin. **Just flee in the opposite direction as a deer on seeing a lion.**

CHANGE LOCATION

Some people will only overcome immorality when they change their neighborhoods. Why do you stay in the same rental with a whore, or a known nasty dresser as your immediate

neighbor? Go to another city, away from that and start a new life. I would rather start from zero than go to hell in pleasures of sin.

Cut off communication completely from nasty friends, block them if you cannot change your phone contact and email address. Don't play games with the devil; why do you move to a new house and keep all the contacts of your former wicked neighbors? Edit your phone book if possible every 3 months. I edit my phone book frequently to make sure that I have no joker in my phone book. I also block some numbers not to ever access me on this side of eternity. If they make it to heaven, we shall meet there, it's safer to meet there with some people than here.

Do not go to non-Christians for counsel about your marriage, on which direction to take next.

Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord; and in his law doth he meditate day and night. And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper. The ungodly are not so: but are like the chaff which the wind driveth away, Therefore the ungodly shall not stand in the judgment, nor sinners in the congregation of the righteous. (Psa. 1:1-5).

Separate yourself from sinners, they will never stand in the congregation of the Holy. Do not try to be wiser than Jesus who, in His earthly ministry, being of God, slept at Peter's house not in Herod's palace. Actually Herod never met Him until the day of His passion though he desired for a long time to see Jesus. Jesus, anointed as He was, remained among believers like Peter, John, James and others all through His

stay here on earth. He chose the 12, that they might be with Him! How do you dare choose non-believers around you as friends.

And he chose twelve, whom he named apostles. "I have chosen you to be with me," he told them. "I will also send you out to preach", (Mark 3:14) GNT.

If you make friends with an adulterer or a fornicator like it or not you will fall into the same sin. If you want to be free from adultery, disconnect from your adulterous friends. If you do not, they will disconnect you from God. Some people have refused to drop those they met in school who are a point of influence, you will go to prison with them, that's if they don't break your marriage.

If a phone is the issue, give it away and secure heaven.

MY BRIEF STORY

When the Lord proposed to me a serious ministry, I had to adjust and sacrifice what I loved most. Before I entered the kind of ministry the Lord proposed to me, I sat in a hotel lobby one morning for hours after a dream I had received about ministry and weighed all things concerning my future. I woke up from that dream and I had lost value and appetite for any earthly thing other than my Master's will. I do not remember eating that day, I shared the dream with only one person.

I knew I was called in ministry earlier and I had entered the journey after my University studies before this dream came. I realized I had to let go of some things. One of them was to cut off contact from family, great friends, a wonderful Church I was attending and almost all people for some time to get to know and see what God had for me.

I got my mobile line out of the phone, broke it, flashed it down the hotel toilet without saving any number and gave away the phone to someone. I was with a very good friend of

mine in that hotel; he was seated in a different place. I went and told him; "You can no longer access me through a phone, I have gone off air. I don't know how long until I get to know God's will for my life; even if it takes a life time I'm determined." I was in that life for more than a year. At some point I had to leave my brothers' house where I was staying to start sleeping on streets, in Churches and hospitals in Kampala until I got sure of the journey. I ate a miracle meal at times once or twice a week and I had only one shirt and a pair of trousers. When I washed my clothes, I put them on wet and they dried with my body heat. I walked long distances and I probably never boarded a tax for a year or more because I had no money.

I remained with one friend with whom we had similar interests; he lived like I did and we found each other by Spiritual means of discernment, dreams, visions and trial and error and by agreeing ahead of time where and when to meet for more than a year.

All this was to get this path of righteousness with a commitment to love and please God. I have not arrived but I am on this Holiness journey to triumph. Many have made it and by the grace of God we can make it.

But now I have written unto you not to keep company, if any man that is called a brother be a fornicator, or covetous, or an idolater, or a railer, or a drunkard, or an extortioner; with such a one no not to eat. (1 Cor 5:9).

Certain connections and relationships must go today if you want heaven and God's blessings on this side of eternity. Just be determined today for righteousness.

II). STUDY THE WORD

That he might sanctify and cleanse it with the washing of water by the word. (Eph. 5:26).

The word of God works like clean water that removes every dirt off your life. If the devil's plan for our generation is immorality, and all wickedness, we must look out for scriptural solutions to destroy them.

This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success. (Josh. 1:8).

When I closed the world outside me, I experienced the life changing power of the word of God. I read my Bible and it tore to pieces. I printed out the Old Testament on papers and spent 7 to 10 hours some times in a day studying the word. I have not stopped this journey of studying the Word, I still do it today, spending 5 to 7 hours of study. It has changed me but am still on the journey, I have not yet arrived.

Whoso despiseth the word shall be destroyed: but he that feareth the commandment shall be rewarded. (Prov. 13:13).

III). PRAYER

Pray Paul's prayers, one in Ephesians chapter three (Ephesians 3:16-21).

I have a personalized prayer of these verses, which I have prayed through for over two thousand times for my spiritual nourishment.

Father of my Lord Jesus Christ, from whom the whole family in heaven and earth is named, I pray that you would continue to grant me, according to the riches of Your glory, to be strengthened with might by Your Holy Spirit in the inner man, that Christ may continue

to dwell in my heart through faith; that I being rooted and grounded in love, may be able to comprehend with all the saints what is the width and length and depth and height and to know the love of Christ which passes knowledge; that I may continue to be filled with the fullness of God. Now to Him who is able to do exceedingly above all we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus throughout all ages, world without end. Amen. (Eph. 3:16-21).

In this year of 2020 only, I have prayed the above prayer for more than 1200 times in a five months period and I have not stopped there, you can do more than me. There is nothing here am telling you to do which I have not done.

PRAY IN THE HOLY GHOST

To enter my ministry I once prayed in tongues for long hours nonstop until the Lord stopped me. This opened many spiritual victories in my life and the ministry am called to. I still take time to pray in the Holy Ghost as much as the Spirit of God enables me. You can by the grace of God upon your life pray and receive your victory.

But ye, beloved, building up yourselves on your most holy faith, praying in the Holy Ghost. (Jude: 20).

I do this by the grace of God, you can also Pray your way into Holiness by praying in the Holy Ghost according to the grace of God on your life. Praying in the Holy Ghost provides you access into the realms of holiness. Paul, a great Apostle of holiness, prayed in tongues more than all the Corinthian believers.

I thank my God, I speak with tongues more than ye all. (1 Cor. 14:18).

Likewise the Spirit also helpeth our infirmities; for we know not what we should pray for as we ought: but

the Spirit itself maketh intercession for us with groanings which cannot be uttered. And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God (Rom. 8:26-27).

IV). FASTING

How did Jesus overcome the devil's temptations on a mountain? Satan found him summarizing a long fast of 40 days; he had been fasting and praying. You may not survive when temptations always find you summarizing a full course meal.

Then was Jesus led up of the Spirit into the wilderness to be tempted of the devil. And when he had fasted forty days and forty nights, he was afterward an hungred. And when the tempter came to him, he said, If thou be the Son of God, command that these stones be made bread. But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God. (Matt.4:1-4)

Verse 11 says: Then the devil leaveth him, (Jesus) and, behold, angels came and ministered unto him. Fasting will help you to dodge the devils schemes easily and instead welcome God's angels to minister unto you.

V). A DRASTIC DECISION

None of the temptations you face are new. All the victors of this holiness journey have faced the same trials but the difference is that they made a decision to part with filthiness and never to give in to sin but wisely take advantage of God's help. They believed the word of God and trusted God as their present help in time of need.

If you think you are standing strong, be careful not to fall. The temptations in your life are no different from what others experience. And God is faithful. He will not allow the temptation to be more than you can stand. When you are tempted, he will show you a way out so that you can endure.(1Cor. 10:12-13) NLT.

There is what you can stand but beyond your means of forbearance having decided not to sin against your God, as it was the case with Joseph's decision, a way to escape will always show up. We have to be vigilant lest we fall into the same trap in which many have been slain. Joseph escaped, you too can escape.

No man will ever force you to make a decision about your life. You must get tired of an immoral lifestyle and be willing to change. That is where everything begins from. I have never been tempted to regret for choosing Holiness as my goal and lifestyle but I still long and crave for perfection attainable on this side of eternity. You too can if only you make a decision today.

TAKE DECISIVE ACTION

If you are cohabiting secretly or publicly with someone, pack your luggage and go home. Am writing this point at 3:30am and if you are reading this book at 03:30am, and you're cohabiting, don't go back to bed. Start packing your bags and leave with the first taxi at 5:30am. You do not need to know where you are going, just start the journey while praying in the Holy Ghost. If you have nowhere to go, hit the street and God will pick you from there on seeing your determination to depart from sin and its horror. God has never despised the faith of any soul that longs to obey His word.

Leave that job today where you are forced to lie, steal or sin with the boss to be kept in your position or be promoted. Do

not settle for bruises but a bright future. The horror of sin is not cheap. Leave that company where witchcraft is the driving engine. If you have a company with a witch, just divide your shares and go. If you cannot divide the company, it's safe to sow that company in him and start another one on a solid foundation.

If you are in a relationship with a non-believer, dear sister or brother, you are playing with hot coals of fire in your mouth. You are sharing a piece of fresh meat with a lion. Do not explain your leaving but flee. If you do not, one day he will devour you alive. If you stay and survive after this warning, name it an eighth wonder of the ancient world.

Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? (2Cori.6:14-15).

Close the relationship immediately if you are dating a non-Christian man or woman. Flee for your life when it's still day otherwise be ready to bare the pain of three kids without a father or a mother. You will be counting a decade from now and will not have anyone to blame, not even the devil. Do not pretend to be an innocent victim after reading this warning.

VI). HUMILITY

God has never delighted in teaching a proud soul, and you will not be the first one.

Therefore putting aside all filthiness and all that remains of wickedness, in humility receive the word implanted, which is able to save your souls. (James 1:21).

Take note of the word “implanted.” The Word of God is life and has life in it, which life grows in us. When received and planted in our hearts and life, it will take root and grow there. Like a fruit tree, it will grow and bring forth the fruits which God intended.

Here we see two requirements mentioned in this verse.

1. We have to put aside filthiness and wickedness.

That is, we have to live our lives far away from sin, rebellion and other evil qualities and characters. Do not expect God’s Word to do what He promises to us while living in sin; no way, it will not happen.

2. We have to receive the Word with humility.

When we are humble, we are teachable. We do not act like a naughty child and answer God back, telling Him what to do. Instead, we humbly receive and obey what He is saying to us. Only and only when we respond in humility to Him and His instruction will His Word accomplish its intended purpose in us.

Good and upright is the Lord; Therefore He teaches sinners in the way. The humble He guides in justice, And the humble He teaches His way. All the paths of the Lord are mercy and truth, to such as keep His covenant and His testimonies. For Your name's sake, O Lord, Pardon my iniquity, for it is great. Who is the man that fears the Lord? Him shall He teach in the way He chooses. He himself shall dwell in prosperity, And his descendants shall inherit the earth. The secret of the Alford is with those who fear Him, And He will show them His covenant. (Psalm 25:8-14).

The above verses shows us how to prepare ourselves for God to teach us His way and make us understand His covenant, and the benefits of all that. There are two requirements we must meet to qualify to receive God's word.

1. Be humble

2. Fear (reverently respect) the Lord.

Humility and a reverent fear for the Lord must be our choice character for us to see His Word accomplish what He has sent it to do in our lives. If we are to know His secrets, will, plans and purposes, we have to meet these requirements. Remember His secrets are revealed by the Holy Spirit to those who love Him. (1 Cor 2:9-10).

Just be humble and reverently fear and respect God (i.e. know His position in your life and allow Him to take it easily), then you have the victory.

Will you forsake all filthiness and wickedness?

Will you be humble & reverently approach God & to His Word?

If you do, then you shall allow God's word to be planted in your heart and have a fruitful life both on earth and in heaven.

The wise are glad to be instructed, but babbling fools fall flat on their faces. (Prov. 10:8 NLT).

Pride will always despise the warning of God's word thinking you can escape in your own way other than a Biblical way of handling sin.

God has no room for the proud. If God says sin will destroy you, don't think you can survive. Be humble, believe the word and flee. If the Bible says there is hell and no one living in sin will miss it, then it's wise to seek to know how to get to Heaven.

VII) OBEY THE LEADING OF THE HOLY SPIRIT

The Bible teaches that no one comes to God unless he be led by the Holy Spirit. The entire Christian walk is aimed at you drawing close to God (walking with Him Intimately). This is only possible by the Holy Spirit. After bringing us to Christ's saving grace, He makes us to understand the Bible and

teaches us how to pray. Our dependence upon the Holy Spirit goes beyond that; God appointed the Holy Spirit to guide and lead us in our Christian life.

For as many as are led by the Spirit of God, they are the sons of God. (Rom. 8:14).

Just as we need to be born again of the Holy Spirit to become God's children, in order for us to live as God's children, we must be led by the Holy Spirit. The Father, the Son and the Holy Spirit are one. When we are led by the Holy Spirit, we are sure that we are walking with God.

The work that the Holy Spirit begins in our lives, He alone can complete. We do not substitute Him with anything. Any substitute to the Holy Spirit, however good it may appear, dishonors Him. If anything or anyone could effectively do the work the Holy Spirit, then God would not have sent Him to us.

HOW DO I RECOGNIZE HIS VOICE?

Before anything else, you must give yourself to studying God's word, to prayer, and listening to the right teachings of the Bible (sound doctrine).

We must cultivate an intimate relationship with Him in order to recognize the Holy Spirit's voice. He is a person just as the Father and the Son. We need to know Him in a personal way. The better we know Him, the more clearly we will hear His voice and recognize His various ways of guidance that will save you from the devil's traps.

He can speak, give an impression, a sense of peace, inner heart check of warning or disapproval, an inner deep sorrow, warm glow of encouragement, a dream or a vision etc. A sharp sensitivity to the person of the Holy Spirit enables us to walk in God's divine leading and this will save us a lot of troubles.

VIII) GO FOR DELIVERANCE

Some sins have graduated and are now influenced by strong spiritual forces. An anointed servant of God will cast out these influencing spirits and you become free. Sometimes hands can be laid on you and demonic spirits run out of you, setting you free of that drug influence.

And it shall come to pass in that day, that his burden shall be taken away from off thy shoulder, and his yoke from off thy neck, and the yoke shall be destroyed because of the anointing. (Isa. 10:27).

IX) MAKE A HOLINESS VOW

The easiest way to live a sanctified Christian life is to make a vow. The reason many people are still happily married is because they respectfully made a vow to each other. You can make a vow with your God and Satan will forget you. You need a vow to maintain purity. I have made vows in my Christian walk. Paul the apostle cut his hair in keeping a vow (Acts 18:18), Jacob vowed to give the tenth of all his possessions (Gen. 28:20-22), Hannah vowed a vow to give to God her first son Samuel (1Sam. 1:11). God made a vow about our heritage.

So when God desired to show more convincingly to the heirs of the promise the unchangeable character of his purpose, he guaranteed it with an oath (Vow). (Heb. 6:17).

When you make a vow, struggle with sin will end when you enter into an oath for confirmation. Satan does not wish you anything good but he has vowed to frustrate you through immorality. It is your time also to vow against his schemes.

When I chose to serve God and many people gave deadlines of giving up in failure, I made a vow to never do anything other than ministry in life. When the devil tried me on the

side of temptations I made a vow of Holiness. I asked God if I ever arrogantly take a path in sin with my eyes widely open, to let a migraine headache discipline me three days. You may call it hype, poor theology or wrong zeal, I do not care, do what you can in your capacity. How about that Holiness card you signed as a teenager? Do you regret? Do you feel good after that repetitive sin? A vow seals a confirmation of your decision. When you determine to overcome sin and make a vow of purity, sin and its horror crumble! Are you willing to make a Holiness vow?

Before you make a vow of purity, first think through life and weigh the loss you're about to face, of friends you're about to leave and so on, compared to the great eternal rewards ahead of you and then answer this question:

Do you really want righteousness? Are you tired of immorality? If yes then go ahead.

Pray this prayer:

Sin you have no dominion over me, I choose to surrender all to God, from this day I am a child of purity, a witness of holiness and an ambassador of righteousness. I denounce sin and its grip on my life. Immorality, fornication, adultery, stealing, lying, strife, distractions you have lost me for God. I now go for my destiny pre-ordained by my Father from the foundation of the world. In the name of Jesus I triumph over Satan.

MAKE YOUR VOW IN THE SPACE BELOW AND SIGN AGAINST IT.

CHAPTER SEVEN: TOTAL SURRENDER TO GOD

Therefore I urge you, brothers and sisters, by the mercies of God, to present your bodies [dedicating all of yourselves, set apart] as a living sacrifice, holy and well-pleasing to God, which is your rational (logical, intelligent) act of worship. And do not be conformed to this world [any longer with its superficial values and customs], but be transformed and progressively changed [as you mature spiritually] by the renewing of your mind [focusing on godly values and ethical attitudes], so that you may prove [for yourselves] what the will of God is, that which is good and acceptable and perfect [in His plan and purpose for you] (Rom.12:1-2 AMP).

You will cease to live for yourself and start to live for God. God wants your body on the altar as a living sacrifice; then transformation will begin to happen from the inside out. If the living sacrifice (your body) tries to jump off the altar as it tends always, put it back until it becomes a well-pleasing sacrifice, wholly acceptable for the master's use.

A complete spiritual and moral change begins with total surrender. This will bring to you peace, hope and a

tangible experience of the Master's love which took Him to the cross to die for your sins that you may receive forgiveness upon repentance.

REPENTANCE

Everything in Christ begins with repentance. Repentance means making a U-turn in the right direction. Let him that stole, steal no more; lest you be caught and be shamefully exposed. Let him that commits adultery do it no more; the next adultery may plague you with an incurable illness! That is why you must be in the Spirit of holiness, to maintain your goal of purity with God.

You cannot afford to watch the devil tear you down. Sin has no dominion over you. Legally, sin has no hold on your destiny. Jesus paid the price. Paul said, you were bought with a price (1 Corinthians 7:23). So legally, you belong to Jesus now, not to Satan, the man of sin. So Satan can't force you to sin, because you have been legally redeemed by the blood of the Lamb. You now belong to God.

So turn now, you may never have another opportunity like this. Do not play games with the devil, say goodbye to him. This is your God ordained day of repentance, and it is important for you to turn now. For everything there is a time and season for it. Harden not your heart, repent now and make a U-turn. You have an opportunity to make an eternal decision now.

I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live. (Deut. 30:19).

PRAYER OF SALVATION

Heavenly Father, I come to You in the Name of Jesus. Your Word says, "... whosoever shall call on the name

of the Lord shall be saved" (Acts 2:21). I am calling on You. I pray and ask Jesus to come into my heart and be Lord over my life according to (Rom 10:9-10). "If thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved." I do that now. I confess that Jesus is Lord, and I believe in my heart that God raised Him from the dead. I am now a born again! I am a Christian—a child of Almighty God! I am saved!

Now that you have repented and prayed this prayer, sin has no dominion over you. You are a covenant child of righteousness, empowered to live a life pleasing to God. Forgiveness of sins comes with miracles following your life to receive what Satan has never given to anyone who best served him.

BAPTISM IN THE HOLY GHOST

The ministry of the Holy Ghost is a Holiness ministry. The Bible calls Him the Spirit of Holiness, the "refiner's fire"; He is the purifying fire.

I indeed baptize you with water unto repentance: but he that cometh after me is mightier than I, whose shoes I am not worthy to bear: he shall baptize you with the Holy Ghost, and with fire. Whose fan is in his hand, and he will thoroughly purge his floor, and gather his wheat into the garner; but he will burn up the chaff with unquenchable fire. (Matt.3:11-12).

PRAY THIS TO BE FILLED WITH HOLY SPIRIT

You also said in Your Word, "If ye then, being evil, know how to give good gifts unto your children: HOW MUCH MORE shall your heavenly Father give the Holy Spirit to them that ask him?" (Luke. 11:13). I am also

asking You to fill me with the Holy Spirit. Holy Spirit, rise up within me as I praise God. Take me through a refinery for the Master's use. I fully expect to speak with other tongues as You give me the utterance (Acts 2:4).

Now begin to praise God for filling you with the Holy Spirit. Speak those words and syllables you receive not in your own language, but the language given to you by the Holy Spirit. You have to use your own voice; God will not force you to speak. Now you are a Spirit-filled believer. Continue with the blessing God has given you and pray in tongues daily.

HOLINESS

God's Will For You

The world has for long waited for the manifestation of the true sons of God in these last days; but our sonship is going to be manifested in Holiness. God is visiting His children with the Spirit of Holiness.

This alarm is not made to your peers or subordinates, it's made to you. It's time to make a decision and terminate sin in your life before it prostrates you.

There is a move of God coming to our generation; but every move of God is enhanced by the ministry of the Holy Spirit. The Holy Spirit convicts both of sin and of judgement, destroying the deeds of the flesh. Sin is so subtle, but the Holy Spirit can cheaply arrest it.

John Eziel intends to help you in this book to easily crash the devil. You must wage a war and win against the spirit of lawlessness. If you don't crush it, it will prostrate you. In this book John is dealing with:

1. Sin and its horror
2. Overcoming sin
3. The beauty of holiness
